Dir: Federico Fellini
Subtitled or Dubbed

Often imitated but never equalled, Fellini's *8 1/2* may be the greatest film about the mind of a filmmaker. Winner of the Oscar for Best Foreign Film in 1963, *8 1/2* stars Marcello Mastroianni as a director struggling with himself to create the masterpiece which is expected of him. Exhausted, hounded by both his wife and mistress, he escapes into his personal fantasies. The result is the recognition that his future work must come from the experiences of his life. "It is the story of an artist as only Fellini could present it.

"Fellini's masterpiece! A work of art of the first magnitude. No film has ever soared higher." -- NEWSWEEK

"A FASCINATING FILM...has much that is wonderful."

-- NEW YORK TIMES
